she is running in the battlefield called school...

Executing her brutal justice. And the name of this watchdog that protects the so-called school from the shadows is Matsuda Izumi.

You  
talked  
me in the  
face...

What is  
that? So,  
you weren't  
interested  
in buying  
anything  
after all?

Even the  
police  
don't work  
like this!  
Who else  
but the  
police,  
little  
brat?

All of a  
sudden  
and now,  
it's hard  
like hell!

Don't  
talk  
with me  
anymore!

You've  
got to be  
kidding!  
Who else  
but the  
police do  
you think  
you are?

That long-haired girl, Sawara Ayuka who is one year older than me.

YOU have to check!  
[How many tags have you made?]

Is it too many?

That must be your last tag!  
Don't forget your ribbon!

That girl sure has good imagination!

Yesterday I started watching...

Would you like to go downtown with me once we're done with the club activities?

Not tonight! Sorry!

Ah, I remember! You told me you had to attend that wedding anniversary today, right?

After all, you're involved in this too...

The people of Sawara family sure get along well, huh?

Oh, really? Isn't that just normal?

I can't imagine my family doing something like that!

Why  
would  
you  
call  
me  
here?

Would  
you  
like  
to  
see  
some  
more  
of  
this  
kind  
of  
a  
movie  
...  
Or  
some-  
thing?

People who do  
don't make  
deals with  
that guy!

Of  
course,  
you  
don't...

I just  
don't under-  
stand what  
you're  
talking  
about....

He-he...  
You sure  
are a  
strange  
guy!

Nothing  
but shooting  
practice  
targets, who  
give him free  
guns!

For  
him,  
you  
paid  
one...

And Chun  
Sei has  
already  
left  
Kamui!

Go, let  
me give  
you an  
advice  
here.

First  
of all, I'm  
going to  
ask you  
did you  
where you  
learned...

The  
nickname  
I had back  
when I lived  
in my home  
country...

I have  
seen it  
before!

That  
profile...

She's  
a hit  
man!

Uahh!  
Ow!!!

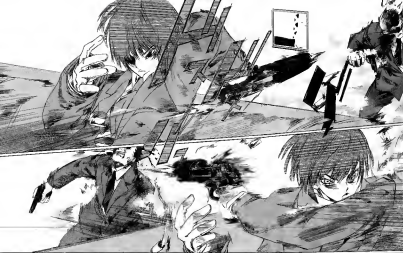

Uon...

Shoot  
here!

Shoot!  
Shoot!  
Shoot!  
Shoot!  
Shoot!

That  
brag  
bricked  
us...

She's an  
assassin!!

Li doesn't  
do either...

toward  
Ajoka's  
life...

One of  
them is a  
soldier...

They are  
both the  
same age.

And  
another...

I suspect  
that won't  
stop, until  
he reaches  
the goal.

But to how  
people  
disorder  
that  
no more.

And  
that's it...  
Yeah...

During  
"I want  
to join  
you," huh?

That  
must be  
a hard-  
edge...

That sure  
brings back  
memories and  
it is very  
strange that  
somebody  
has this  
habit, huh?

Hah!

So-so-  
he-he! So,  
shing god  
you, huh?

Owl...

So, this  
bird lived  
in this  
country...

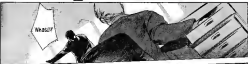

Is  
this  
true,  
hon?

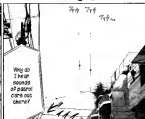

Well, I  
wouldn't  
mind you  
joining us,  
but don't  
bait on us  
either!

It's G.  
Ginsaku.

Why do  
I hear  
sounds  
of patrol  
cars out  
there?

He then  
steals some  
weapons and  
a bike and  
now, he's on  
the run...

Within five  
minutes after  
that, he turned  
the corner  
towards  
office...

Into a  
total  
blackish,  
street  
with just  
a single  
light.

And I'm  
pursuing  
him.

And from  
the look  
of it, he's  
heading to  
school.

Yet this woman fell in love with a man from this country and they got married.

And he was in love with a certain woman...

There was a man by the name of Lin Wei Han...

...

And he decided to take revenge on the woman who was a friend of his successor.

He is a very good man with a black soul...

But his father is a top executive at one bank and at the same time, Chen Han's boss.

After this, Lin never had any relations with anyone else and died of an illness three days ago.

13

Therefore, he wants that woman's daughter captured and killed right in front of the eyes of her parents.

Who's going to be the next president of our school's brass band?

And Gowers himself is a prominent student...

And you know why I did that?

Good job doing such a teenage research.

Well, they hired a contractor to prepare everything for the entrance ceremony...

The one my mother used to love every now and then! I don't know for sure...

It's just an embarrassing song an old boyfriend sent your mother.

You know, that song doesn't have a title!

Soundproof  
Door, Do  
Not Kick!

And I'm an  
"We was sooooo...  
sent here  
to kill you  
and your  
family."

Ugh!

My  
name  
is Li  
Shian.

So, I'm  
putting  
your case  
off for a  
while...

I  
guess  
you got  
lucky,  
right?

At first...  
Are you  
from some  
theatrical  
group? I  
have a  
guess...

But how  
do you  
know my  
name?

However,  
an interesting  
suspense has  
appeared...

BOY

GUY

Who could have thought, I would meet her again in a place like this?

Known as Chen, who was a very capable and very short girl...

Everyone loved...

He deceived her with his words and took off with her!

Once upon a long... In time... was just a few years ago...

A certain government official from this country did something completely unthinkable... He stole an atom bomb...

And those who interfere should be killed right away....

That's a very important point too....

We are just weapons, you know! And once we're ready, we get sold....

The past has nothing to do with my current job! That's my policy....

Oops... he-he!

You'll not do my world from the outside, sirigo?

It will all be over soon. And until then....

Oh, well....

Li Shilin!

Let go  
of her!

Heh?

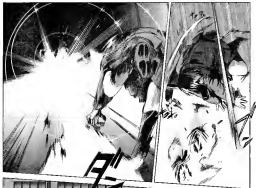

Eh?

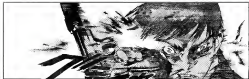

You might  
want to  
close your  
eyes, Igouka-  
chan!

I guess  
you really  
belong to  
Gensaku  
now, huh?

So,  
you've  
been  
taken  
from us  
after  
all...

Crap!

Well, keep  
drawing  
you can still  
become a  
regular  
student!

Why do  
you guys  
have  
guns?

That's  
right!  
And he  
nearly  
killed  
a girl!

That Li  
Gwen was  
referring to  
himself? and  
other people  
as ~~deceivers~~  
or some-  
thing...

Who in  
the  
world  
are  
you...

Put me  
down!  
I'll run  
myself...

So,  
why are  
you trying  
to kill each  
other for  
what I said  
about?

That here is  
a school,  
you know?

Egoist-  
man, don't  
let her fool  
you!

I can only  
guess, but  
I bet she is  
also a villain who  
trespassed  
into the school,  
just like I  
did!

And that  
means she  
must be a  
super-villain  
herself...

She is an  
~~essence~~  
sent to your  
school in order  
to exterminate  
a villain!

A fool,  
who knows  
only how to  
fight...

How long  
are you  
going to  
keep walking  
around out  
there, you  
dweeb?

I changed  
after I  
came to  
this country!

Don't give up!

Oh, give up already!

She's  
not  
at all

You're  
pressed  
off, aren't  
you?

This is  
wild. I  
don't  
usually do  
this kind of  
stuff.

There  
was no  
response.

I guess  
Akasaka's  
rapid-fire  
mode is no  
good in one-  
on-one  
conversations  
after all.

Take  
off your  
clothes!

And  
that  
scared  
you,  
huh?

And  
you're  
scared,  
huh?

Isn't a normal  
scream...

It's just  
like  
Ryoko's  
cry...

"All we  
and fight  
not an equal  
battle!"

and this  
is what  
you just  
said...

Oh, well!  
You sure  
are brave,  
Kyouko-  
chan!

I did  
nothing  
wrong!!!

You know  
you could've  
been a few  
more  
hours...

You  
were  
too  
early...

Li Shan...

Agree!

I fear all, isn't that why they call you Chun Tai, the Spring Thunder?

Don't come any closer I don't want hearing your roars from after...

And I will finish you now... But if you want to ask me something, I will give you one answer.

I am a special investigator of educational institutions from the Ministry of Education.

You're not  
flying around  
the whole world  
like me, but  
spend all of your  
time in a place  
like this?

Weg to it,  
but even  
though  
you're this  
settled...

What are  
you trying  
to do here,  
Ore?

I...

I will  
escape....

# Ordinary±

Within one week  
three years... I  
will escape from  
this organization  
from my past and  
from that one  
government  
office.

Way too  
long to  
notice  
that!

So look

How  
did I  
know  
your  
true  
colors.

You're  
actually

Even the  
simplest kid  
wouldn't  
dream about  
escape?  
is these  
days,  
simple?

No,  
you're  
going  
to es-  
cape?

Mission  
accomplished.

This girl's dream is to survive. And her survival will continue until the day she gets killed or escapes.

Does it mean  
I'll have to  
get used  
to taking  
it easy,  
like all the  
students?

If I'm going  
to be a  
student...

For an  
outsider  
like me, that  
will be the  
hardest  
subject.
